To Whom It May Concern:

Everglades Golden Retriever Rescue is an all volunteer 501(c) (3) non-profit organization dedicated to re-homing via adoption, Golden Retrievers, who for a variety of reasons, have become homeless. Each dog is provided with complete medical care including spaying/neutering. We also provide expenses for dogs in foster care and pay boarding fees for dogs when foster homes are unavailable. These services can be very costly.

In 2009, EGRR accepted 61 Golden Retrievers into our program, and successfully re-homed 57 of them by year's end. Our adoption fees for these dogs totaled \$13,987.50, while our veterinary and boarding expenses were \$53,737.92.

To help raise funds to support our efforts, we hold an Expo each year, to which we invite all of "our" Goldens and the people who adopted them. This year's Expo will be held on Saturday, March 27th, in Tradewinds Park. We are soliciting donations of any kind to help with our fundraising.

Your generosity will be rewarded by recognition at the Expo and by the knowledge that these orphaned dogs will be in safe and loving homes. If you desire, we will also provide you with a receipt for tax purposes

Sincerely,

The Executive Board of EGRR, Inc.
